

THEMIS Registration Form: Guidance Notes

THEMIS is the online reporting facility used by the Financial Intelligence Service (FIS). THEMIS is to be used by organisations with a presence in the Bailiwick of Guernsey as the prescribed method for the reporting of suspicion of money laundering, that certain property is derived from the proceeds of criminal conduct, and/or terrorist financing (per the *Disclosure (Bailiwick of Guernsey) law, 2007*) It is only necessary to register entities for which money laundering or terrorist financing reporting obligations apply.

It is at the submitting organisation's discretion who they wish to nominate for access to THEMIS. There is no limit to the number of nominees that can be registered for any organisation, but we urge users to keep registrations to a minimum for security and administration reasons. Due to the restricted and confidential nature of the content, it is strongly recommend that organisations should only nominate Money Laundering Reporting Officers (MLROs), Deputy MLROs, Compliance Officers and/or Directors to report on their behalf.

This form is provided for Organisations to:-

- **Register** - both new users and organisations/entities can be registered with the FIS, including obtaining login details for THEMIS;
- **Update** – any changes in personnel or organisation's details, including removal can be logged with the FIS

Please ensure that there is **ONLY ONE ORGANISATION ON A FORM**. Where there is insufficient space on the form to enter all nominees for an organisation, please complete and attach additional forms as required.

All forms must be signed by an authorised signatory. The authorised signatory must be someone in a Senior Management position in the named organisation overleaf who has the relevant authority to nominate staff for access to the online reporting system. **It is their responsibility to ensure that the details submitted on the form are accurate and complete.** If the signatory requires confirmation that a form has been processed, please provide a contact email address and mark the relevant box to receive an email acknowledgement.

Scanned copies of the signed form will be accepted. **Completed forms can be emailed to fiu@gba.gov.gg in PDF format** or posted to the FIS at the address listed below. **Forms may take up to 10 working days to process.**

IT IS THE ORGANISATION'S RESPONSIBILITY TO ENSURE THAT THE FIS ARE IN POSSESSION OF UP-TO-DATE INFORMATION AND IS KEPT INFORMED OF ANY CHANGES TO NOMINEES AND ORGANISATIONS ADMINISTERED BY THEM IN A TIMELY MANNER.

Guidance on how to use THEMIS can be located on the **MLRO Distance Learning Package** available on www.guernseyfiu.gov.gg in the 'Financial Intelligence Service, under 'Online Guidelines' and is also on the Guidance & Legislation' tab of the THEMIS home page
